

## @TRACT

### WITH THE CONVENIENT TWIST

It cuts a good figure in any position, presenting well thought-out choreography: when the ballpen is extended, the clip folds in - perfect for writing. When the point is retracted, the clip pops out again - ready for insertion into the pocket. With an elegant pirouette on the clip. This is how real professionals move!

- ∴:STYLISH DESIGN
- ∴:HIGH WRITING COMFORT
- ∴:INNOVATIVE TECHNOLOGY
